Pantheon International Plc
Performance Update at 31st May 2016

Month to 31st May 2016

Pantheon International Plc ("PIP") announces an unaudited net asset value ("NAV") per share at 31st May 2016 of 1,739.6p, an increase of 9.0p (0.5%) from the NAV per share as at 30th April 2016. Valuation gains (9.4p, 0.5%), investment income (0.9p) and foreign exchange movements (0.7p) were offset by expenses and taxes* (-2.0p).

PIP's valuation policy for private equity funds is based on the latest valuations reported by the managers of the funds in which PIP has holdings. In the case of PIP's valuation at 31st May 2016, the majority of reported valuations (accounting for circa 74% by value) are dated 31st March 2016.

At 31st May 2016, PIP's private equity assets stood at £998m, whilst cash balances were £108m. Undrawn commitments to investments stood at £337m at 31st May 2016, calculated using exchange rates at that date. In addition, the Company's multi-currency revolving credit facility agreement, comprising a US\$100m facility and a €46m facility, remained completely undrawn.

PIP's portfolio generated net cash of £3.9m during the month, with distributions of £13.0m relative to £9.1m of calls from existing commitments to private equity funds.

PIP completed three new investments during the month, amounting to £7.2m of total commitments, including £6.2m to two co-investments: a £4.2m investment alongside India Value Fund into Atria Convergence Technologies (ACT), a rapidly growing wired broadband company and cable television services provider in India; and a £2.0m investment alongside Providence Strategic Growth into LogicMonitor, a North American company which provides a platform to analyse network performance metrics and

related devices. PIP also made one primary commitment of £1.1m to Apax IX, a global large buyout fund.

* Withholding taxes on investment distributions.

NOTES

PIP

PIP is a London quoted investment trust, managed by Pantheon Ventures (UK) LLP ("Pantheon"), a leading global private equity fund investor, investing in both primary funds and secondary transactions, and from time to time capitalising further on its fund investment activities by acquiring direct holdings in unquoted companies, usually either where a vendor is seeking to sell a combined portfolio of fund interests and direct holdings or where there is a private equity manager, well known to Pantheon, investing on substantially the same terms. With investments in private equity funds, covering multiple private equity strategies ranging from investments in late stage buyouts to early stage technology, PIP enables individuals as well as institutions to gain access to a substantial portfolio of unquoted companies in the USA, the UK, Continental Europe and Asia, within funds managed by experienced private equity managers.

Pantheon

Pantheon is a leading global private equity fund investor that invests on behalf of over 380 institutional investors. Established over 30 years ago, Pantheon has developed a strong reputation and track record in primary, secondary and co-investments and across all stages and geographies. Pantheon has £22.6 billion in AUM** (as at 31st December 2015), 210 employees, including 71 investment professionals, located across offices in London, San Francisco, New York, Hong Kong, Seoul and Bogotá.

** This figure includes assets subject to discretionary or non-discretionary management, advice or those limited to a reporting function.
