Pantheon International Plc
Performance Update at 31st March 2016

Month to 31st March 2016

Pantheon International Plc ("PIP") announces an unaudited net asset value ("NAV") per share at 31st March 2016 of 1,747.0p, a decrease of 3.7p (0.2%) from the NAV per share as at 29th February 2016. Valuation gains (28.7p, 1.6%), investment income (1.1p, 0.1%) and share buy backs (1.8p, 0.1%) were offset by foreign exchange movements (-32.9p, -1.9%) and expenses and taxes* (-2.4p, -0.1%).

PIP's valuation policy for private equity funds is based on the latest valuations reported by the managers of the funds in which PIP has holdings. In the case of PIP's valuation at 31st March 2016, the majority of reported valuations (accounting for circa 80% by value) are dated 31st December 2015 or later.

At 31st March 2016, PIP's private equity assets stood at £1,003m, whilst cash balances were £133m. Undrawn commitments to investments stood at £322m at 31st March 2016, calculated using exchange rates at that date. In addition, the Company's multi-currency revolving credit facility agreement, comprising a US\$100m facility and a €46m facility, remained completely undrawn.

PIP's portfolio generated net cash of £15.5m during the month, with distributions of £19.6m relative to £4.1m of calls from existing commitments to private equity funds.

PIP completed eight new investments during the month, amounting to £64.9m of total commitments. This included £24.4m of secondary commitments to a portfolio of European buyout funds that was 76% funded at completion, and a £12.4m secondary commitment to a North American growth-equity portfolio that was 45% funded at completion. PIP also invested £17.3m across four co-investments, which included a £7.1m investment alongside Kayne Anderson in Western Gas Partners, a North American business focused on natural gas gathering and processing; and a £2.1m investment alongside Ambianta into SF Filter, a leading distributor of mobile and industrial filters in Europe. PIP also made two primary commitments for £10.9m: a £2.5m commitment to Madison

Dearborn VII, a North American large buyout fund; and an £8.4m commitment to Apax France IX, a European mid-market buyout fund.

PIP also invested £2.3m in share buybacks during the month, acquiring 200,000 redeemable shares at a price of 1,150.0p. This price represented an average discount of 34% to the NAV per share as at 29th February 2016.

NOTES

PIP

PIP is a London quoted investment trust, managed by Pantheon Ventures (UK) LLP ("Pantheon"), a leading global private equity fund investor, investing in both primary funds and secondary transactions, and from time to time capitalising further on its fund investment activities by acquiring direct holdings in unquoted companies, usually either where a vendor is seeking to sell a combined portfolio of fund interests and direct holdings or where there is a private equity manager, well known to Pantheon, investing on substantially the same terms. With investments in private equity funds, covering multiple private equity strategies ranging from investments in late stage buyouts to early stage technology, PIP enables individuals as well as institutions to gain access to a substantial portfolio of unquoted companies in the USA, the UK, Continental Europe and Asia, within funds managed by experienced private equity managers.

Pantheon

Pantheon is a leading global private equity fund investor that invests on behalf of over 380 institutional investors. Established over 30 years ago, Pantheon has developed a strong reputation and track record in primary, secondary and co-investments and across all stages and geographies. Pantheon has £21.4 billion in AUM** (as at 30th September 2015), 200 employees, including 69 investment professionals, located across offices in London, San Francisco, New York, Hong Kong, Seoul and Bogotá.
